## Writing Review

**Real Katakana**
Website: http://www.realkana.com/katakana/

**Check off** several rows to practice. **Click Options** tab, select a typeface. **Click Practice** tab.

Type its rōmaji equivalent for each Katakana character that appears.

***Hint:*** Can't recall? If you get stuck, move your mouse over the word, and the answer will appear.

## AUDIO NEEDED – NOTE: the library computers aren't loud enough for individual use

## Listening & Writing Exercises

**CosCom: Study Japanese Language through Column**
Website: http://www.coscom.co.jp/newsweather/koramu/index.html

Study Japanese by ***reading*** **&** ***listening*** the news column in easy-to-understand Japanese.

**Step 1:** Test yourself by LISTENING to the text. Click on the audio. *Write down words you know.*
Rate yourself! You understand (ex. 25%) _____

_____

_____

**Step 2:** Click on 
button. Review word list. How many words do you know? (ex. All or none) _____

Write down 2 unfamiliar words in the romanjii typeface [default script] appearing on the screen.

_____ _____

_____

**Step 3:** Change type to **Japanese typeface** Click on middle button

***Repeat Step 2*** Now the words are in Japanese script.

Write down 2 unfamiliar words in the Japanese typeface appearing on the screen

_____

_____

**Rate your comprehension**. NHK created 2 websites for users.

**NHK News Web Easy**
Website: http://www3.nhk.or.jp/news/easy/

**NHK News**
Website: http://www3.nhk.or.jp/news/index.html

Write down your comments about both sites.

_____ _____
