

A decorative graphic in the top-left corner consisting of a network of interconnected nodes and lines. The nodes are represented by circles of varying sizes and colors, including light gray, dark gray, and blue. Some nodes are highlighted with a blue outline. The lines connecting the nodes are thin and light gray.

# Intro to DH

Laura Bang!  
Digital & Special Collections Curatorial Assistant  
Digital Scholarship Coordinator  
Falvey Memorial Library  
Villanova University

A decorative graphic in the bottom-right corner, similar to the one in the top-left, featuring a network of interconnected nodes and lines. The nodes are circles in light gray, dark gray, and blue, with some highlighted by a blue outline. The lines are thin and light gray.

# What is/are “Digital Humanities”?

“

*Digital humanities (DH) is an area of scholarly activity at the intersection of computing and the disciplines of the humanities. The nature of this activity ranges broadly, from the practical, such as digitizing historical texts, to the philosophical, such as reflection on the nature of representation itself.*

[https://en.wikipedia.org/wiki/Digital\\_humanities](https://en.wikipedia.org/wiki/Digital_humanities)

“

*Whatever else it might be then, the digital humanities today is about a scholarship (and a pedagogy) that is publicly visible in ways to which we are generally unaccustomed, a scholarship and pedagogy that are bound up with infrastructure in ways that are deeper and more explicit than we are generally accustomed to, a scholarship and pedagogy that are collaborative and depend on networks of people and that live an active 24/7 life online.*

Kirschenbaum, Matthew G. "What Is Digital Humanities and What's It Doing in English Departments?" *ADE Bulletin*, 150, 2010, 55-61. <https://ade.mla.org/bulletin/article/ade.150.55>

A decorative network diagram in the top right corner, consisting of various sized circles (nodes) connected by thin lines (edges). Some nodes are solid grey, while others are hollow with a grey outline. The connections form a complex, interconnected web.
