<p><b>ZoteroBib will warn you that Article titles will need to be checked for case errors in APA 6<sup>th</sup>.</b></p> <p><b>Article titles in APA should be in sentence case. Only the first letter of first word of title and subtitle and proper nouns are capitalized.</b></p> <p><b>Journal and Book titles use Title case, as usual.</b></p>	
<p><b>Use the tiny blue icon on the right to copy a citation to paste it into a document.</b></p>	
<p><b>Or Export</b> your bibliography into RTF (Rich Text Format) for use in MS Word or other text editors.</p>	
<p>Use the <b>Link</b> tool to create a sharable version on the web to send to others.</p>	
<p><b>ZoteroBib stores the citation in your web browser's cookie's files.</b> Depending on your browser settings these may be saved or deleted when you close your browser.</p>
